OFFICE OF GENERAL
COUNSEL

June 4, 2012

Office of General Counsel
Federal Election Commission
999 E Street, N.W.
Washington, DC 20463

MUR # 6591

To Whom It May Concern:

My name is Angel Seufert, and I would like to draw your attention to a inexcusable obvious violation of the law by a candidate for the office of 7th Congressional District United States Congressman, Thomas S. Stilson.

According to the Federal Election Website "paragraph (a)(3) of section 110.11 requires "[a]ll public communications by any person" that solicit a contribution must include a disclaimer." And that Paragraph (c)(2)(ii) of section 110.11 specifies that the disclaimer included in printed communications must be contained within a printed box set apart from the other contents of the communication."

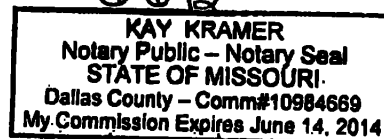

By the law as I have clearly shown as well as a phone call to the compliance division of the Federal Election Commission, a website must have a disclaimer in a box which Mr. Stilson's website does not comply (see Exhibit A). His website address is <http://www.tomstilsonforcongress.com>. It is appalling to me that a person who wants to create laws and uphold our constitution can't even follow a simple law set forth by the Federal Election Commission. I want Mr. Stilson to understand how important following the law is and that there are consequences for not following the law. I want Mr. Stilson punished to the full extent possible for failing to comply to the law so he can better understand the ideals and principals of the constituents he wishes to represent in Missouri's 7th Congressional District.

Sincerely,

Angel Seufert
